FROM THE PRINCIPAL'S DESK

Warm greetings!

I am delighted that our College is bringing out the Annual News Letter for the Academic Year 2025-26, a vibrant reflection of our dynamic academic community. This News letter showcases the energy, achievements, and aspirations of our stakeholders. It serves as a platform to display diverse talents, academic pursuits, and extracurricular accomplishments. Every page captures our collective journey of passion, creativity, and growth. Education extends far beyond the four walls of a classroom. This newsletter beautifully captures the meritorious progress of the College, achievements of our faculty and administrative staff and diverse talents of our students—from groundbreaking technical projects to mesmerizing cultural performances. Every page reflects our passion and dedication to making a difference. My heartfelt congratulations to the Editorial Team and all the contributors for making this Newsletter a reality.

Best regards,
Prof. (Dr.) Swarupa R.
Principal

EDITORIAL

With pride and gratitude, we present the Annual Newsletter of Mahatma Gandhi College, Iritty for the academic year 2025–26. This edition reflects a year of meaningful learning, active engagement, and notable achievements across our academic community.

Our students have brought laurels to the institution through excellent university results, success in competitive examinations, and active participation in research, cultural, sports, and outreach activities. Their accomplishments reflect hard work, discipline, and the supportive academic environment of the college.

Our faculty members have further strengthened the institution through research publications, conference participation etc. Their commitment to teaching, mentoring continues to uphold the college's standards of excellence.

The departments remained vibrant centers of learning, organizing seminars, workshops, invited talks, industrial visits, extension programmes, and skill-based initiatives that enriched classroom learning and promoted creativity, critical thinking, and professional growth.

Various clubs and cells of the college, played a vital role in fostering leadership, social responsibility, environmental awareness, and holistic development among students.

The Internal Quality Assurance Cell (IQAC) continued to promote quality enhancement through academic and administrative initiatives, encouraging outcome-based education, student-centric practices, research culture, and continuous improvement in all spheres of institutional functioning.

This newsletter stands as a record of collective effort and shared success. I sincerely acknowledge the support of the Management, Principal, faculty, non-teaching staff, students, alumni, parents, and well-wishers whose cooperation has been instrumental in the progress of the college.

May this publication inspire us to move forward with renewed commitment and confidence. Let us continue to uphold the values of excellence, integrity, inclusiveness, and service that define Mahatma Gandhi College, Iritty and wish the institution may continue the growth and distinction in the years ahead.
